

## Flow of the "Code"

with the function: If, Loop, While, Broadcast

## Print and cut

If you see someone hop on one foot 5 times, circle the area you are in and **shout** "I'm the fastest!"

If you hear something proclaiming "I'm the fastest there is," **start** singing the song:  
APT. By ROSÉ & Bruno Mars

When the teacher yells "Start," jump in place 3 times

If you saw someone hop on one foot 5 times, **declare** - I love studying history!

If you heard someone declare - I love studying history, **declare** out loud - Me too!

If you hear someone announce - "Me too," run to the teacher and gently give him a high five

If you hear someone announce - "Me too," run to the teacher and gently give him a high five

If you hear someone announce - "Me too," run to the teacher and gently give him a high five

If you hear someone proclaim, "I'm the fastest!" **start** singing the A.B.C song.

If you heard someone singing the song APT. By ROSÉ & Bruno Mars  
Imitate a cat

If you see someone jump 3 times, raise your hands high for 5 seconds

If you hear someone proclaim - "I love studying history", **turn** in a circle

If you see someone crowing like a rooster, start clapping **until** someone **shouts** "We're done."

If you saw someone doing 3 push-ups, **wave** your arms, **repeat** 5 times

If you heard someone sing the A.B.C song, do 3 push-ups

If you see someone Imitating a cat, **start** clapping until someone yells "We're done!"

If you saw someone raise their hands high for 5 seconds, jump on one leg, **repeat** 5 times

If you saw someone turning in circles, **start** crowing like a rooster

If you see at least 3 classmates making fun of the teacher, **start** clapping **until** someone shouts "We're done"

If you saw someone wave their arms - 5 times, check how many children are clapping. If you see at least 3 people clapping - announce loudly, "We're done!"
